RE: Invitation to the National Retreat for Ahmadi Muslim Youth

Dear Sir/ Madam,

I pray these words reach you in good health and spirits.

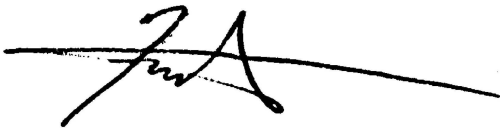

Every year, the Ahmadiyya Muslim Youth Association organizes a National Retreat for boys and men between the ages of 7 and 40 years where they gather for a weekend of educational and sports competitions, alongside moral and spiritual programs.

This year, the retreat is going to be held at the Baagh-e-Ahmad in Elmer, New Jersey from October 10-12, 2025. This letter serves as an official invitation for the retreat and could be attached with a leave of absence request for school should a member of our association wish to attend this year's National Retreat.

The Ahmadiyya Muslim Youth Association (AMYA) is an auxiliary of the worldwide Ahmadiyya Muslim Community. Headquartered in Silver Spring, Maryland, AMYA USA is a dynamic and vibrant organization of more than 5000 men and boys between the ages of 7 and 40, spread across more than 50 local chapters throughout the US.

Please do not hesitate to contact me for any further questions or information.

Sincerely

Feroz Hundal
