Story of the Week

Friday Sermon Recap

After the battle of Uhud, the Quraish argued whether to continue back to Mecca or to attack the city of Medina when it was vulnerable. After some time, they decided to head to Medina.

Upon hearing this news, the Holy Prophet (sa) ordered the Muslims to ready themselves against the enemy again. So, they headed towards a place called Hamra'ul-Asad. The Holy Prophet (sa) ordered to light 500 camp fires.

While camping there, a idolatrous chief of the Khuza'ah tribe named Ma'bad presented himself before the Holy Prophet(sa) and offered his condolences for those who had fallen at Uhud, whereafter he continued on his way.

On the following day when he reached Rauha', he found the army of the Quraish encamped there and that preparations were underway to return to Medina. Ma'bad went to Abu Sufyan at once and said:

"I have just left behind the army of Muhammad (sa) at Hamra'ul-Asad, and never before have I seen such an awe-inspiring army. They are so passionate due to their regret for the defeat at Uhud that they shall reduce you to ashes on sight."

Abu Sufyan and his followers were so awe-struck by these comments of Ma'bad, that they abandoned the idea of returning to Madīnah and made haste to Makkah at once.

When the Holy Prophet (sa) received news that the army of the Quraish had fled in this manner, he thanked God and said, “This is the awe of God, which He has struck into the hearts of the disbelievers.”

Conditions of Bai'at & Responsibilities of an Ahmadi

Condition 3

The Third Condition of Bai'at states:

- That he/she shall regularly offer the five daily Prayers in accordance with the commandments of God and the Holy Prophet Muhammad (sa) and shall try his/ her best to be regular in offering the tahajjud and invoking durud on the Holy Prophet Muhammad (sa).
 - That he/she shall make it his/her daily routine to ask forgiveness for his/her sins, to remember the bounties of God and to praise and glorify Him.
- 

Condition 3 - Tahajjud

The **second point** mentioned in this condition is that the person will shall try his/ her best to be regular in offering the tahajjud.

God Almighty states: *“And offer tahajjud with the recitation of the Qur’an in a part of the night as a supererogatory service for thee. Very soon thy Lord will raise thee to an exalted station.”*
(17:80)

Condition 3 - Tahajjud

Hazrat Bilal (ra) narrates that the Holy Prophet (sa) said, 'You should be very regular in tahajjud. That has been the practice of the righteous ones in the past and is a means of attaining nearness to God. This is a habit that safeguards against sin, removes blemishes and safeguards from physical illness.' (Tirmadhi)

The Holy Prophet (sa) said, 'Our Lord descends every night to the lowest heaven. When 1/3 of the night remains, Allah says, "Who will call upon Me, so I should respond to him? Who will beg of Me, so I should grant him? And Who will ask my forgiveness, so I should forgive him?" Allah the Almighty keeps saying so until dawn breaks.' (Musnad Ahmad)

Condition 3 - Tahajjud

Many members of the Community write letters for prayers. If they practice this method of prayer themselves, they will see the blessings of Allah pouring upon them.

Hazrat Abu Hurairah (ra) narrates that the Holy Prophet (sa) said, 'Allah the Almighty says By offering nawafil My servant gets so close to Me that I start loving him. When I make him a friend of Mine, I become the ears with which he hears, the eyes with which he sees, the hands with which he holds, and the feet with which he walks. That is, I fulfil all that he desires. If he begs of Me, I provide for him; if he seeks My protection, I grant him protection.' (Bukhari)

Condition 3 - Tahajjud

The Promised Messiah (as) states:

“Our Jama‘at should make it incumbent upon itself to offer tahajjud. Anyone who cannot do more should make at a minimum two rak‘at because he will get an opportunity to make some supplications.

Supplications made at this time have a very special characteristic because they are offered with true pain and eagerness. Until there is a special pain and heartfelt agony, how can one wake up from comfortable sleep? To wake up at this time creates a heartfelt pain, which creates a condition of devotion and distress, which in turn become the means of acceptance of supplication.”
