Conditions of Bai'at & Responsibilities of an Ahmadi

Condition 6

The Sixth Condition of Bai'at states:

- That he/she shall refrain from following un-Islamic customs and lustful inclinations and shall completely submit himself/herself to the authority of the Holy Qur'an; and that he/she shall make the Word of God and the sayings of the Holy Prophet Muhammad (sa) his/ her guiding principles in every walk of his/her life.
- 

Condition 6 - Refrain from customs and inclinations

The Promised Messiah (as) admonishes us not to follow the un-Islamic customs that people have added to their faith because of the influence of the society in which they live. These customs have been adopted from other religions.

When the customs take root, their victim is blinded and gradually comes fully into the grip of carnal desires, whereas the pledge during bai'at is that he/she will safeguard completely from the carnal desires and will be completely subservient to the sovereignty of Allah and the Holy Prophet (sa).

Condition 6 - Refrain from customs and inclinations

Allah says in the Holy Qur'an: "But if they do not accept this invitation of yours, then know that they only follow their own evil inclinations. And who is more erring than he who follows his evil inclinations without any guidance from Allah? Verily Allah guides not the unjust people." (28:51)

In this verse Allah has given a very clear verdict that should make us fearful: those who follow their vain desires will never be rightly guided.

Condition 6 - Refrain from customs and inclinations

Hazrat 'Aishah (ra) has related that the Holy Prophet (sa) said, 'An innovation in religion which has nothing to do with matters of faith is to be rejected and is unacceptable.' (Sahih Bukhari)

I and the Hour have been sent in close proximity.' (He joined his two fingers to demonstrate the closeness while he said this.) Then he added, 'Now I tell you that the best discourse is the Book of Allah and the best guidance is the guidance given by Muhammad (sa) . The most evil thing is to introduce innovations in religion; and every innovation leads to error.' (Sahih Muslim)
